Dear Mr. Xu,

I wish to offer you my sincere thanks and appreciation on behalf of the Vodafone & China Mobile team for the high level of co-operation and professionalism demonstrated during Vodafone's Qualification Audit.

The quality of information prepared in advance of our facility reviews was excellent & informative.

It is with pleasure I can inform you that following Vodafone's Qualification Audit of March 2006 Hansen Industries Corporation will be granted the status of Qualified Global Supplier to Vodafone GSCM.

The status of a Qualified supplier enables eligibility to participate in Vodafone sourcing activities. This does not guarantee supply to Vodafone but offers the opportunity to participate in sourcing activities.

It is the observation of the audit team that Hansen Industries Corporation capabilities place them in a good position to support Vodafone's Strategic Supply Chain Goals in the near future.

I wish you every success in your future with Vodafone and in the achievement of your continuous improvement goals.

Yours sincerely,
